

## Dog Anti-Fouling Campaign

The Parish Council have increased village dog waste stations containing free emergency bags from 8 to 23 locations – see map below. These are for dog walkers to use in an emergency, for example, if they have run out of bags or forgot to take some with them. We are looking for volunteers to replenish these stations. The Parish Council will supply the bags. If you think you can help keep an eye out on a station near your house or on your dog walks, please email the Clerk who will pass your interest onto the appropriate Councillor. Many thanks.
