

MAKING POSITIVE CHANGES AT ST MARY'S AND NEWLEAZE

Several good ideas to improve St Mary's and Newleaze were noted at the Acreshort Community Park opening event, including more equipment and upgrades. We asked if anyone wanted to help make it happen at the end of last year and have not had any response yet.

Do you want to see something positive happen in these spaces?

Any work will take time, effort and fundraising. The Acreshort development was driven by a small group of dedicated residents and Parish Council members. We need a similar group which includes enthusiastic people local to St Mary's and Newleaze to help make change happen, with the support and input of the Parish Council.

We need volunteers to create a small working group for each space to drive change.

WE NEED YOU!

Please contact us via the Clerk or on Facebook Messenger if you want to see something positive in these spaces and are prepared to volunteer some of your time to make it happen.
